Responsible for Long Term Maintenance

Name: _____
Phone: _____
Address: _____

Project Name: _____

Description: _____

Location: _____

Total Drainage Area in Acres: _____ Total Site Acres: _____
Total Impervious Area: _____ Undisturbed Natural Area: _____

Name of Receiving Waters: _____

Are there any areas on the property within the 100 year floodplain? _____

Do any waters of the state run through the property? _____

I, _____ hereby certify that I fully understand the provision of ordinance 06-18, Chapter 96 "Stormwater Management", and that I accept responsibility for carrying out the Stormwater Management Plan for the above referenced project as approved by the Dalton Utilities Stormwater Department.

I further grant the right-of-entry onto this property, as described above, to the designated personnel of Dalton Utilities for the purpose of inspecting and monitoring for compliance with the aforesaid Ordinance.

I understand that a Pre-Construction meeting is required before any land disturbance activity occurs. This meeting will be at Dalton Utilities. The presence of the Owner, Grading Contractor and Engineer is required.

I understand that the initial fee is \$500, and that I will also be charged for the actual engineering and inspection costs associated with the Stormwater upgrades for this project. The estimated costs for engineering and inspections are _____.
